

GABRIEL LAKE

SOUND DESIGN | AUDIO PRODUCTION | IMMERSIVE & INTERACTIVE AUDIO

Annapolis, MD | (202) 999-6173 | Abstractedglake@gmail.com | LinkedIn | Portfolio

PROFILE

SCAD Sound Design student creating immersive audio experiences through Foley, field recording, SFX design, dialogue editing, mixing, and spatial audio. Interested in sound for games, film, interactive media, and other story-driven experiences.

EDUCATION

Savannah College of Art and Design (SCAD) - Savannah, GA | *B.F.A., Sound Design* | *Expected 2027*

SELECTED SOUND DESIGN PROJECTS

Metaphor | *Narrative Sound Design*

- Created and edited audio synchronized to on-screen action using original recordings, Foley, and sound effects; layered, synced, and mixed in Pro Tools using EQ, compression, reverb, panning, and automation.

Soundscape | *Immersive Environmental Sound Design*

- Created an immersive soundscape using original field recordings, Foley, ambient layers, and custom SFX; edited and mixed in Pro Tools using EQ, compression, reverb, delay, automation, panning, and spatial audio techniques.

Psychological Sound | *Atmospheric Sound Design*

- Designed and edited SFX, ambience, and layered audio to create a psychologically driven mood and atmosphere; edited and mixed the final sound design in Pro Tools.

Water Pollution | *Environmental Sound Design*

- Created and edited sound elements representing the idea and effects of water pollution; layered and mixed audio in Pro Tools to build a cohesive soundscape communicating the environmental theme.

TECHNICAL SKILLS

Audio Production: Pro Tools, Ableton Live, Adobe Audition

Sound Design: Foley Recording, Field Recording, SFX Design, Dialogue Editing

Mixing: EQ, Compression, Reverb, Delay, Automation, Panning, Stereo & Spatial Audio
